

- **On-Demand Courses:** Self-paced learning modules available at any time, allowing participants to complete the training at their convenience.
- **Certification Programs:** Certain trainings culminate in certifications recognized in recovery support and residential services, validating the expertise of participants.
- **Continuing Education Units (CEUs):** Many of the trainings are accredited for CEUs, facilitating ongoing professional development while meeting certification and licensing requirements.

By offering these **Recovery Residence/Non-Residence Trainings**, Amitie LLC aims to strengthen the capacity of professionals and community members to support individuals in their recovery journeys. The goal is to create environments that foster safety, growth, and resilience, ultimately contributing to healthier communities and positive recovery outcomes.

Below is a comprehensive description and overview for the specified **Recovery Residence/Non-Residence** trainings offered by Amitie LLC for Certification programs and Continuing Education Units (CEUs). Each program is designed to provide essential skills and knowledge to support effective recovery practices.
