- **Cost:**
  - **Individual Rate:** $75 (with textbook: $125.00)
  - **Group Rate (5 or more):** $60 per participant (with textbook: $110.00)

3. Data Collection Methods and Tools for Practitioners

- **Description:** This on-demand training provides techniques for collecting and analyzing service data, focusing on practical tools and methodologies that practitioners can use to improve their programs.
- **Focus:** Techniques for collecting and analyzing service data.
- **Duration:** 4 hours
- **Training Requirements:** None
- **Field Supervision:** None required
- **Materials:** Data collection toolkits and templates.
- **Textbook:** "Research Methods in Psychology: Evaluating a World of Information" (Current Cost: $70.00)
- **Cost:**
  - **Individual Rate:** $100 (with textbook: $170.00)
  - **Group Rate (5 or more):** $80 per participant (with textbook: $150.00)

4. Leveraging Big Data in Health and Community Services

- **Description:** This training explores the role of big data in enhancing service delivery and improving health outcomes. Participants will learn how to incorporate big data analytics into their programs.
- **Focus:** Understanding the role of big data in service delivery.
- **Duration:** 4 hours
- **Training Requirements:** Basic understanding of data concepts preferred.
- **Field Supervision:** None required
- **Materials:** Big data analysis frameworks and reporting tools.
- **Textbook:** "Big Data in Healthcare: Statistical Analysis of the Electronic Health Record" (Current Cost: $62.00)
- **Cost:**
  - **Individual Rate:** $100 (with textbook: $162.00)
  - **Group Rate (5 or more):** $80 per participant (with textbook: $142.00)

5. Data Privacy and Security in Health Services

- **Description:** This training provides essential knowledge of compliance with data protection regulations in health fields. Participants will learn about safeguarding sensitive information while maintaining ethical practices.
- **Focus:** Compliance with data protection regulations in health fields.
- **Duration:** 3 hours
- **Training Requirements:** None
- **Field Supervision:** None required
- **Materials:** Compliance guidelines and data security protocols.
- **Textbook:** "Health Data Privacy and Security: A Practical Guide" (Current Cost: $55.00)
- **Cost:**
  - **Individual Rate:** $75 (with textbook: $130.00)
